

To whom it may concern:

Ewa Bartkowiak worked onboard MV Orion (National Geographic Orion) and MV Orion II (Orion Expeditions) as full time paid Massage Therapist from 27th February 2011 until 5th November 2014,

via our crew manning agency:
V.Ships Leisure SAM
Les Industries 2, Rue du Gabian
P.O. Box 639
MC 98013
Monaco Cedex

During this time she was a respected and valued member of the crew on board the ships. She showed dedication to her job and clients, and a willingness to support all departments as well as being involved in all activities with guests and crew.

Ewa provided a variety of remedial and relaxation massages along with facial and body treatments. Additionally, her duties consisted in keeping treatment records, developing group and individual wellness plans, conducting stretching exercises and relaxation techniques.

Ewa has high professional standards and she consistently received high praise for her work as Massage Therapist. She is clearly skilled in this field of work.

The National Geographic Orion is an expedition passenger ship sailing internationally, registered in the Bahamas - Registry no. 9273076.

Respectfully Yours,
