Explanatory Notes

This transcript contains most of the information produced in a Diploma Supplement (DS) developed by the European Commission, Council of Europe and the UNESCO-CEPES. The purpose of the transcript is to provide sufficient recognition of qualifications and is designed to provide a description of the nature, level, context and status of the studies that were pursued and successfully completed by the individual named on the original award certificate which this document accompanies.

For a description of Higher Education in England, Wales and Northern Ireland please see the UK National Europass website: www.uknec.org.uk/ There is a separate description of Higher Education in Scotland.

Diagram of higher education qualification levels in England, Wales and Northern Ireland

Framework for Higher Education Qualifications (FHEQ) ⁵		FQ-EHEA cycle	Credit		Progression for selection of students (FHEQ levels)	National Qualifications Framework for England, Wales and Northern Ireland ⁶

Entry to HE via equivalent experiential or prior learning							National Vocational Qualifications (NVQ) Level 3 Vocational Qualifications Level 3 GCE AS and A Level Advanced Diploma Welsh Baccalaureate Advanced ⁴	3

¹PhD and DPhil qualifications are typically not credit-rated. Newer doctoral degrees, such as the Professional Doctorate, are sometimes credit-rated, typically 540 credits

²A range of 90-120 ECTS is typical of most awards

³1 ECTS credit is typically worth 2 UK credits

⁴The Welsh Baccalaureate Qualification is part of the Credit and Qualifications Framework for Wales (CQFW)

⁵For students with the necessary prerequisites, entry to each FHEQ level is possible from the next lower level in the NQF or Framework for Higher Education Qualifications

⁶These levels will also apply to the Qualifications and Credit Framework (QCF). The QCF will eventually replace the National Qualifications Framework (NQF)

European Credit Transfer System (ECTS)

HE credit systems in use in England, Wales and Northern Ireland are compatible with the European Credit Transfer System (ECTS) for accumulation and transfers within the European Higher Education Area, and are used to recognise learning gained by students in institutions elsewhere in Europe. The transcript records both the credit systems.
